PRODUCT NAME

Referred to as a "luxury" oil by some, this antioxidant-rich oil is obtained from the kernels of the fruits of Marula tree. It's mostly composed of oleic acid and linoleic acid but also contains procyanidin, catechins and flavanoids. Marula oil offers antioxidants, hydrates the skin and is claimed to help restore a radiant tone. This formula contains only cold-pressed virgin African Marula oil that is 100% unrefined.
